Scholarship Voting

If you would like to vote for the scholarship winners, we will be meeting at Karen Main's home on Tuesday, May 2nd at 9:00am. Contact Karen Main if you can come. It will take approximately 2 hours to read through the 12 applications we received.

Table Hostesses for Luncheon

We still need a few more volunteers to step up as table hostess. It's a one-time, easy job. It just means you take responsibility for making sure everyone is served, has drinks, and to answer any questions our guests may have about AWC. The hostess also makes sure the tip jar gets passed around. It's not a huge commitment if you're already going to the luncheon. But it IS very important to have one member at each table to take care of that table. If you have any questions, contact Donna Witt.

Gimpy-armed Update

Thank you all for your prayers and for the get well card after my shoulder surgery! You made my day. In addition to having bone spurs removed (a 2-week recovery period), I also had an 80% tear through one of the ligaments in my rotator cuff. The surgeon reattached the ligament, but I am not allowed to use my right arm for about 5 weeks. After that, they say it will be a 3-6 month recovery period. This is all MUCH harder to deal with than I expected. I appreciate your patience and extra help in the meantime.

Knowing that AWC will survive while I'm recovering gives me great peace of mind. I will be leaning on all of you more than usual to pick up any slack for me.
